Beograd

Predavač : Dr stom. Milan Vladislavljević

Certificate

Dr. Djordje Miketic

successfully participated in the

ITI Scholarship Program

Dr. Djordje Miketic spent one year as an ITI Scholar at the Friedrich-Willhelms-University in Bonn, Germany
from December 1, 2010 – November 30, 2011.

The goal of the ITI Scholarship program is to further the ITI philosophy worldwide by supporting young clinicians with training in the areas of case planning, implant surgery and/or prosthetic restoration under the supervision of an acknowledged ITI Fellow in university surroundings.

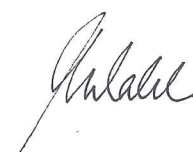

January 30, 2012
Basel, Switzerland

Prof. Dr. Frauke Müller
Chairman of the ITI
Scholarship Committee

Prof. Dr. Daniel Buser
ITI President

Prof. Dr. Gerhard Wahl
Chairman of the
ITI Scholarship Center

CERTIFICATE OF PARTICIPATION

This hereby acknowledges that
Ana Valenta
has successfully participated at iTOP Introductory.

iTOP is a professionally tutored training and motivation programme.

Empowered and monitored by dental professionals, it enables a trained and regularly recalled patient to achieve and maintain lifelong tooth preservation.

iTOP Introductory Level (1 day): Enables dental professionals to give interested people theoretical instructions and practical introduction in prevention best practice and enables them to join iTOP Advanced Level.

iTOP Advanced Level (2 days): In combination with iTOP Introductory it enables dental professionals to give interested people theoretical instructions and practical Training to achieve exceptional compliance.

iTOP Teacher Level (4-5 days): Combined with iTOP Introductory and iTOP Advanced, enables dental professionals to give patients theoretical instructions and practical training on a high level to achieve lifelong tooth preservation.

iTOP TOP Level: Combined with iTOP Introductory, iTOP Advanced, iTOP Teacher and iTOP Recall, enables dental professionals to give patients and other dental professionals theoretical instructions and practical training as a certified iTOP instructor in accordance with the licence agreement.

iTOP Recall is an annual, one-day refresher course for iTOP instructors that extends the validity of iTOP knowledge level by a further year.
